The mission of ARMY LOGISTICIAN is to provide timely and authoritative information on Army and Defense logistics plans, policies, doctrine, procedures, operations, and developments to the Active Army, Army National Guard, U.S. Army Reserve, civilian employees of the Army, and the public. ARMY LOGISTICIAN is published to increase knowledge and understanding of logistics and assists in accomplishing the information objectives of the Department of the Army.

ARMY LOGISTICIAN is an official Department of the Army periodical published bi-monthly at the U.S. Army Logistics Management Center, Fort Lee, Virginia, under the sponsorship of the Assistant Secretary of the Army (Installations and Logistics), the Deputy Chief of Staff for Logistics, and the Commanding General, U.S. Army Materiel Command. Photographs are U.S. Army unless otherwise specified. Material may be reprinted provided credit is given to ARMY LOGISTICIAN and to the author. Opinions expressed by contributors do not necessarily reflect the official viewpoint of the Department of the Army.

## **YOU GOTTA FILL OUT THE FORM**

**E**ver stop to think how you got this copy of the *Army Logistician*? Everybody doesn't get one, you know. There's a possibility you may not get the next issue—but, it won't happen if you and your publications officer are "on the ball."

The procedures are being changed. *Army Logistician* magazine and other Department of the Army periodicals distributed through the pinpoint system must now be requested on a DA Form 12-5. DA Circular 310-54, 12 October 1973, tells the details and contains a copy of the form to be used.

This new order form lists *Army Logistician* magazine and nine other Department of the Army publications. The basis for distribution for each publication is also listed. Each unit's publications officer must compute the number of copies his unit is authorized to receive, using the basis for distribution, complete the DA Form 12-5, and return it to the USA AG Publications Center, 2800 Eastern Boulevard, Baltimore, Maryland 21220.

DA Form 12-5 must be submitted no later than 15 December 1973. On that date all previous requests will be cancelled by the Center on the assumption that the account holder has no further requirement for periodicals.

If you've missed the 15 December 1973 deadline, complete the DA Form 12-5 and send it in at once.

The basis for distribution of *Army Logistician* magazine is one copy per two officers and warrant officers, and one copy per five enlisted and Department of the Army civilian personnel directly involved in supply, maintenance, transportation, and logistics service activities of the Army.

We want you to continue to receive and read *Army Logistician* magazine, so tell your publications officer about DA Circular 310-54 and your requirements for *Army Logistician* magazine.

If you fail to qualify for "free" distribution under the new criteria or you want to get your own personal copy of *Army Logistician*, you may enter your personal subscription with the Superintendent of Documents by clipping the coupon at the bottom of this page, completing it, and mailing it in.
