COVER—Equipping the total force is as difficult as solving a three-dimensional puzzle. Elements of the Army's puzzle—force structure, appropriations, modernized weapon systems, new weapon systems, a distribution plan, and actual distribution—are symbolically represented on the cover. Equipping the total force depends upon the proper alinement of these elements. The article begins on page 2.

Army Logistician magazine (ISSN 0004-2528) is an official Army periodical published bimonthly by the Editor at the U.S. Army Logistics Management Center, Fort Lee, VA 23801, under the sponsorship of the Assistant Secretary of the Army (Installations, Logistics, and Financial Management), the Deputy Chief of Staff for Logistics, and the Commander, U.S. Army Materiel Development and Readiness Command. Second class official mail postage paid by the United States Army at Petersburg, VA. Postmaster: Send address changes to Editor, *Army Logistician* Magazine, ALMC, Fort Lee, VA 23801.

Army Logistician publishes timely, authoritative information on Army and Defense logistics for the Active Army, Army National Guard, Army Reserve, civilian employees of the Army, and the public. Our purpose is to increase knowledge and understanding of logistics and to encourage and stimulate innovative thought in areas of logistics by providing a forum for those ideas. The views expressed in the articles are those of the authors and not necessarily those of the Department of Defense or the Department of the Army. □ Photographs are U.S. Army unless otherwise noted. Material may be reprinted if credit is given to *Army Logistician* and the author, except where copyright is indicated. □ Use of "he" and any of its forms is intended to include both masculine and feminine genders. Exceptions will be indicated. □ Articles, photographs, and items of interest on any facet of Army logistics are invited. Direct communication is authorized to: Editor, *Army Logistician*, ALMC, Fort Lee, VA 23801. □ Use of funds for printing of this publication was approved by HQDA on 1 October 1981 in accordance with AR 310-1. □ Active Army units receive distribution under the pinpoint system outlined in AR 310-2. DA Form 12-5 must be sent to Cdr, AG Publications Center, 2800 Eastern Boulevard, Baltimore, MD 21220. ARNG and USAR units must submit requirements through State adjutants general or USAR channels. □ Rates: domestic or APO—\$3.00 per copy, \$15.00 yearly; foreign—\$3.75 per copy, \$18.75 yearly. Send order with payment to Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

Coming in the January-February issue—

Lance—RSI at Work—explains how the deployment of the Lance missile system in five NATO nations is meeting interoperability goals.

Combat Logistics in Urban Areas—advises how ingenuity, improvisation, and creativity could be used in providing combat service support to military operations in urban areas.

Logistics-Over-the-Shore, An Alternative Supply Method—describes the success achieved by using LOTS in Panama.
