**COVER**–The multifaceted logistics activities of Operations Desert Shield and Desert Storm (some of which are depicted on the cover) provided an excellent laboratory for testing how well the Army Logistics System functions in a major conflict. In their second article on Gulf War logistics, beginning on page 5, General Pagonis and Colonel Krause offer some thoughts on how it performed and how it can be better.

**Mission:** *Army Logistician* (ISSN 0004-2528) is an official Department of the Army professional bulletin prepared bimonthly at the Army Logistics Management College, Fort Lee, Virginia, and published by Headquarters, U.S. Army Combined Arms Support Command, for the Department of the Army.
