COVER—Soldiers offload from a CH-47D a pallet of transistor radios, some of the 20,000 battery-operated radios distributed by the Army Materiel Command's Logistics Support Group (Prov.) to victims of Hurricane Andrew in south Florida. Joint Task Force Andrew operated an AM station, Radio Recovery, to provide emergency relief information to the stricken area. The story and photos of part of the Army's support of the task force begin on page 20.

Mission: *Army Logistician* (ISSN 0004-2528) is an official Department of the Army professional bulletin prepared bimonthly at the Army Logistics Management College, Fort Lee, Virginia, and published by Headquarters, U.S. Army Combined Arms Support Command, for the Department of the Army. Its mission is to publish information on Army and Defense logistics plans, programs, policies, operations, procedures, and doctrine that contributes to the professional development of military and civilian logistics personnel.
