COVER—Providing heavy industrial equipment, like that shown in the cover photo and used in producing the M1 tank, is but one of the ways the Defense Logistics Agency (DLA) supports Army combat systems. General Henry's article, beginning on page 9, explains many other ways that DLA helps to keep the Army combat-ready.

Mission: *Army Logistician* (ISSN 0004-2528) is an official Department of the Army professional bulletin prepared bimonthly at the Army Logistics Management College, Fort Lee, Virginia, and published by Headquarters, U.S. Army Combined Arms Support Command, for the Department of the Army. Its mission is to publish information on Army and Defense logistics plans, programs, policies, operations, procedures, and doctrine that contributes to the professional development of military and civilian logistics personnel.
